Respected Sir,

Payment of Revised Pension

Our notice has been drawn to the text of the format of an undertaking to be signed by the beneficiaries of revised pension as in annexure I of Bank's Circular No.CDO/P & HRD- PM/62/2023 - 24 dated the 26th March 2024 and with all humility at our command we have to submit that we cannot advise our members to sign the Undertaking unless the last para of the format is deleted.

In this connection, your good self is aware that in our plaint, which is still under judicial scrutiny, we have demanded for payment as per new calculation from one's date of retirement and now our members of their own cannot relinquish the claim. Your good self must appreciate that a plaintiff cannot be asked to compromise with his own demand and in this particular case as the committee constituted for disposal of our memorandum in its report has accepted that there is an 'anomaly', we cannot remain satisfied with anything less than what we have prayed for in our plaint before the judiciary.

In view of the foregoing, we would once again request your good self to arrange for deletion of the last paragraph of the Undertaking to facilitate us to request our members to sign the same.

With regards,

Yours faithfully,

(Dipak kumar Basu)
General Secretary
Fed. of SBI Pensioners' Associations.
