I humbly convey my heartfelt gratitude to all our esteemed members for reposing their confidence in me and for electing a team to steer the affairs of our Association for the term 2026–2028. This collective mandate is not merely an honour, but a responsibility that we accept with sincerity, humility, and a deep sense of purpose.

2. We have the privilege of Shri N. Radhakrishnan, President of the Federation of SBI Pensioners Associations, serving as the President of SBI Pensioners Association, Hyderabad Circle. His leadership and guidance provide great strength to me personally and to our Circle Association as a whole.

3. Our Association, representing pensioners of IBI, SBI, and now e-Associate Banks, has over the years emerged as a dependable platform for safeguarding the interests and welfare of its members. As we begin this new term, our foremost commitment shall be to do all that is possible for the betterment and well-being of our pensioner members, addressing their issues with empathy, perseverance and constructive engagement.

4. One of our important priorities will be to make continuous and sustained efforts to bring more pensioners into the Association's fold. This will not only strengthen and energise the Association, but also help in providing a common platform that promotes togetherness, bonding, mutual support, and a collective voice among pensioners.

5. We shall continue to maintain and strengthen our federal relationship with the Federation of SBI Pensioners Associations, working in close coordination and unity to pursue issues of common concern at the national level.

6. Simultaneously, we shall endeavour to maintain cordial, constructive, and respectful relations with SBI Hyderabad Circle, engaging with the Bank in a spirit of mutual understanding and cooperation, sharing and aligning with the Bank's vision, values, and goals, and working collectively towards the furtherance of its mission, while firmly and responsibly representing the legitimate interests of pensioners.

Shri I. Krishnam Raju, Deputy General Secretary (HQ), extended a warm welcome to the members and invited the guests on to the dais. Shri N. Radhakrishnan, President of the Federation of SBI Pensioners' Associations and President of the Hyderabad Circle and Shri D. Krishna Kumar, General Secretary, jointly honoured the dignitaries with a shawl, rose bud, and memento amidst warm and heartfelt applause from the members.

In his opening remarks, Shri N. Radhakrishnan thanked the entire membership for his re-election as President and for election of the New Committee and lauded the overwhelming participation of pensioners, the gracious presence of Senior Management functionaries despite their busy schedules and the affectionate support of sister organisations. He also acknowledged the presence of the Assistant General Managers of PPG and OAD, the Super Senior members, former President Shri A. Damodaram, the Election Committee Members headed by Shri L. S. N. Sarma, and the dedicated panel of the Bank's Doctors.

While expressing his gratitude to the Circle Management Committee for provision of additional office space to the Association, President recalled the speech of respected Chief General Manager, Shri S. Radhakrishnan and appealed to all Pensioners and Family Pensioners to mobilise deposits for the Bank so as to retain the Bank's premier position in the Country.

Calling for unity among all pensioners, President expressed gratitude to the Circle and Corporate Management for resolving several long-pending issues, including inclusion of 23 eligible cases of disabled children for lifetime family pension, release of notional benefit of stagnation increment to SMG-IV officers, as per provisions under 7th Joint Note, pending since 2015, and rectification of pension anomalies relating to 7th Bipartite retirees and rectification of family pension anomalies since the upward revision effective from April 2021. He also traced the history of the Association, highlighting its formation on 6th December 1983, following its separation from the then Pensioners' Association of Calcutta, and the celebration of Formation Day independently from 2023 onwards. He called for greater participation of members in the Association's activities and emphasised the need for a focused membership drive to bring into the fold those pensioners who have so far remained outside the Association, thereby making it stronger like a rope bound by many strands and more vibrant, enabling members to remain active, hale, and healthy. He appealed to the membership not to approach the Management individually on all and sundry matters, but to remember that unified representation would yield more effective engagement and meaningful results.

General Secretary profusely thanked Sri S. Radhakrishnan, Chief General Manager, for setting new benchmarks in recognising and addressing pensioners' concerns with sensitivity and promptness. He also referred to the empathy and generosity of the Chairman, Sri Sreenivasulu Setty, towards pensioners, highlighting initiatives such as improvements in the SBI Health Assist Policy, enhancement of premium subsidy to 90% for Super Senior Pensioners and the SBI Tribute initiative.

In the post-lunch session, which saw many members continuing to remain present, the newly elected members of the Managing Committee for the term 2026 - 2028 were introduced by the General Secretary, highlighting the strengths and responsibilities of each member. Thereafter, around 65 pensioner members who attained the age of 75 years as on 6th December 2025 were felicitated, coinciding with the Formation Day - 42nd Anniversary Celebrations.

Sri P. Nanda Kishore, Senior Vice President, proposed a vote of thanks, expressing gratitude to the dignitaries, members, doctors, organisers, and all those who contributed to the success of the celebrations.

The celebrations concluded on a warm and harmonious note, reinforcing the enduring bond between the Bank, its pensioners, and the serving fraternity, and reflecting the collective pride and legacy of the SBI family.

The entire credit for the stupendous success of the programme goes to the large number of members and their family members, numbering more than 400, who participated enthusiastically, coming from all corners of the city and from places outside Hyderabad, braving the chilly weather.

Dear Sir,

## **TIE-UP ARRANGEMENTS WITH DIAGNOSTIC CENTERS FOR LAB TESTS**

It is known that with a view to providing the facility of diagnostic tests to employees/retired employees and their dependents, the Bank entered into tie-up arrangements with diagnostic centres of repute for X-rays and routine pathological tests.

2. In the present-day polluted environment, even youngsters are affected by grave diseases such as cancer, heart, lung, kidney diseases, etc. The pattern of diagnosis has undergone a sea-change and some of the modern tests are very much essential for people of all age-groups. Further, we submit that retired employees, have to incur more expenses on tests advised by the treating doctor for proper diagnosis and are not reimbursed with the costs incurred on such precautionary tests, even under Insurance.

3. The Bank is pioneer in providing welfare measures to employees and retired employees. The Bank has already approved and included 33 pathological tests in the list of pathological tests recommended by the Bank's doctor to be done at empanelled lab, the facility of which can be availed by both employees and retired employees. Taking into consideration the age factor and the need for precautionary tests that are essential in the present polluted environment, we humbly submit that the following tests, which are considered a essential by the treating doctor, are included in the list of pathological tests recommended by the Bank's doctor to be done at empanelled lab:

- |                     |                      |                        |
|---------------------|----------------------|------------------------|
| 1. Mammography test | 2. Vitamin B-12 Test | 3. VitaminD-3 Test     |
| 4. Laryngitis test  | 5. C.T. Scan         | 6. Echocardiogram test |

4. In case of tests suggested by the attending doctors which are not in the Bank's approved list of tests, an arrangement should be made with the empanelled labs to charge discounted rate for our staff and pensioners as it is observed that such discounts are provided by the labs to selected patients referred by selected doctors. We should also ensure that rates of tests be same in all Labs in that centre. However, it is necessary to increase such Diagnostic Centres in metro and bigger cities.

5. Our just request, if acceded to, would benefit majority of the needy pensioners and family pensioners. Thanking you Sir in anticipation. Awaiting for your positive response.

With Greetings,

Yours faithfully,
