The DGM & Circle Development Officer,
State Bank of India,
Local Head Office, HYDERABAD.

Dear Sir,

PROVISION OF FAMILY PENSION TO DISABLED CHILDREN

The family pension scheme came into effect in our Bank from 01.01.1986 and fundamentally the State Bank of India Employees' Family Pension Rules and Procedures were framed by adopting the CCS (Pension) Rules, 1972.

2. Some of the amendments in Family Pension Rules and Procedures were subsequently made by the Bank in tune with the amendments brought in the CCS (Pension) Rules, 1972 by the Government. Few references of such amendments are (i) Eligibility of family pension to the widower, (ii) order of age of children for eligibility of family pension, (iii) Family pension to the eligible beneficiaries where the beneficiaries are twin children, (iv) inclusion of parents as beneficiaries thereby widening of the scope of family for family pension, (v) disability certificate to be obtained from a Medical Officer not below the rank of a Civil Surgeon, etc.

3. The provisions in Family Pension Scheme under SBI Employees Pension Fund regarding eligibility of payment of family pension to the disabled children are as under:

- a) The guidelines as contained in Hyderabad Circle Circular No. PER/11/95-96 dated 23.09.1995 (Copy enclosed) stipulate that **“only that disability which manifests itself in the child before retirement or death of the employee while in service shall be taken into account”**.
- b) The bank had also enabled the provision of nomination of members of the family including disabled children for the benefit of family pension before retirement of the employee vide e-Circular No.CDO/P&HRD-PPFG/16/2012-13 dated 26.05.2012 (Copy enclosed).

4. Regarding Nomination, the provisions under CCS (Pension) Rules, 1972, as contained in “A Handbook on Family Pension” (copy enclosed) are reproduced hereunder:

- a) The employee has no control over the family pension as he is not required to make any contribution to it. It is not a property of the deceased employee/pensioner, therefore the entitlement for family pension cannot be decided by succession certificate;
- b) The rules do not provide for any nomination, instead it designates the persons who are entitled to receive family pension. Thus, no other person except those designated under the rules is entitled to receive family pension.
- c) The non-applicability of nomination for payment of family pension as above has arisen on account of several court judgements. One such judgement of the Hon'ble Supreme Court in the case of Smt. Violet Isaac and Ors. vs Union of India & Ors. is enclosed for your instant reference and perusal.

5. Regarding eligibility of Family Pension to disabled children, the provisions in the CCS (Pension) Rules, 1972 (Copies enclosed) are as under:

- a) **Sub Rule (7)(1) of Rule-54 : Procedure for payment of family pension to handicapped children.**
- Under O.M. No. 1/80/89-P. & P.W. (C), dated the 19th February, 1990 (not printed) the condition of manifestation of the disability of children before retirement or death in harness of the Government servant for grant of family pension for life has been dispensed with.

- b) **O.M. No.1/21/91-P&PW(E)(Pt.) dated 15.01.1999 : Procedure for payment of Family Pension to handicapped children :** It has been decided to allow the spouse of the deceased pensioner/ Government servant, if the details of such children were not furnished by the latter, to furnish the details of eligible children to the pension sanctioning authority.
- c) **DOP&PW's O.M. No.1/33/2012-P&PW(E) dated 16.01.2013 :** The Government has decided to allow continuance of family pension to mentally/physically disabled children even after their marriage.
- d) **DOP&PW's O.M. No.1/18/2001-P&PW dated 25/26.01.2016 :** Non-intimation of physical/mental handicap does not make a child ineligible for family pension. A disability certificate issued after the death of the employee/ pensioner or his/ her spouse for a disability which existed before their death may be accepted by the Appointing Authority.

6. It can be observed from the above that the rules stipulated by the Bank regarding eligibility of payment of family pension to the disabled children, were based on the provisions under the CCS (Pension) Rules, 1972 at the material time of formulating the scheme, whereas the subsequent amendment referred above under para-5(a) has not been given the effect. Resultantly, the payment of family pension to the disabled children of employees, where the disability has been manifested after retirement/death of the employee while in service, is being denied.

7. It will not be out of context to mention here that the spouse of the employee, who gets married to the employee after his/her retirement is eligible for payment of family pension, even though the circular under reference in para-3(b) above stipulates nomination for spouse too, before retirement of the employee. While it is so, we are of the view that even those children whose disability has manifested after retirement/death of the employee/pensioner/family pensioner and rendered them unable to earn a living, shall be made eligible for grant of family pension, as provided under CCS (Pension) Rules.

8. In view of the above and considering the negligible number of cases in this category of disabled children and keeping in view the special needs of such a child/sibling, who requires greater medical care and financial assistance, we request you to arrange for review of the provisions for payment of family pension to the disabled children for lifetime in tune with the provisions stipulated under CCS (Pension) Rules, 1972 as under:

- a) The condition of manifestation of the disability of children before retirement or death of the employee while in service needs to be dispensed with;
- b) A disability certificate issued after the death of the employee/pensioner or his/her spouse for a disability which existed before their death shall be accepted for payment of family pension to the disabled children;
- c) Continuance of payment of family pension to the mentally/physically disabled children even after their marriage.

9. We request that our representation is taken up with the appropriate authority at Corporate Centre along with your recommendations towards resolution of the issue at the earliest. Please advise us the developments in this regard..

With regards

Yours sincerely,

(A. RAMESH BABU)

Respected Sir,

Re:- E-PHARMACY

With due respect we like to draw your kind attention to our letter no 01/23 dated the 4th April 2023 on the captioned subject.

We are sorry to inform you that even after a lapse of more than 3(three) months from the commencement of the scheme both vendors are not supplying "Insulin" or any refrigerated medicines PAN INDIA. They are also not supplying all medicines, as prescribed by the attending physicians of the pensioners at large. We are given to understand that one vendor is supplying medicines through the erstwhile vendor i.e. Apollo Pharmacy in some places, some medicines are not being supplied on the plea that it has been directed by the Bank not to supply, some vendors are not extending discounts on agreed rate for all prescribed medicines. We are also sorry to submit that the instances of partial and delayed delivery of medicines are at galore. Pensioners are being denied the facility, which the Bank has extended very generously to the retired seniors employees. We are not being informed neither by the vendor nor by the Bank, but we as an organisation are being blamed by the eligible pensioners of SBI all over the country.

In view of the above prevailing overall dismal situation we would request you to kindly give us an appointment, at your earliest, to enable us to explain to you the tragic situation and also sufferings of the pensioners and also to discuss how to overcome and redress the present problem of the pensioners.

With regards,

Yours faithfully

Respected Sir,

SBI SALUTE**"AZADI KA AMRIT MAHOTSAV" CELEBRATING 75 YEARS OF INDEPENDENCE**

We have already conveyed our sincere gratitude with an open heart to the management for the above initiative, which has benefited financially and satisfied mentally all the pensioner/family pensioners of the Bank, who have attained or will be attaining 75 years of age within 31st August 2023.

We understand that Bank thought about this particular group of elders to honour as their ages synchronises with that of the Independence of our Country and as they are in comparatively a weaker group in the matter of pecuniary position compared to their youngsters'.

While we appreciate the above consideration of our benevolent management, we understand this has caused a heart burning among the members of the left out group of pensioners as the scheme is tagged with "Azadi Ka Amrit Mahotsav" and celebration of 75 years of our Independence.

Role of our Bank in building up the economy of our country is hailed by one and all, to which every employee, serving or retired, had played his/her role as entrusted sincerely and diligently. Even present day's profit of the Bank is a result of this sustained effort of all the employees through the ages of ever shining history of this great Bank.

In view of the foregoing and having regard to the fact that on such occasions recognition of one's contribution is considered more important and expected than the amount of money it carries, we would request your good self to kindly reconsider the matter and take steps so that every soul of seniors of SBI family is illuminated with light of joy and jubilation in this 75' years of our Independence, which coincides with the highest harvesting of annual profit in the history of our Bank.

Let the spirit of "Azadi ka Amrit Mahotsav" touch every heart.

Shri Nookala Satyanarayana, present convenor of the Unit, mentioned about Tata 1mg medicine supply. Medicines particularly insulin and some life saving drugs are not supplied. He further observed that this vendor does not have any outlets and functions like Amazon trading Company, OLA auto/Zomato. And is not yet all user friendly.

Establishment of Dispensary at Amalapuram centre Members felt the need of establishing a Dispensary at Amalapuram branch to cater to the needs of staff and pensioners

of Amalapuram region, who will be about 500. And this demand is pending for the past 5 years. Shri Satyanarayana advised members that the Association is vigorously following it up with the Circle management and hoped that the same will be cleared soon. Meanwhile, he constituted a 5 member sub committee to search for suitable medical doctor at Amalapuram for consideration by RBO/AO.

Sanjeevani redressal portal

It is agreed upon by all the members that they may utilise the service of "Sanjeevani" (complaint lodging /redressal portal of HRMS). It will help the pensioners for quick reply/redressal of problems raised by them. Sanction of OD against Deposits to Staff pensioners.

Issue of sanction of OD at branches was also discussed. The branches are not sanctioning OD against Deposits to Public and staff pensioners showing some pretext or other. And members feel helpless. Shri Satyanarayana advised members that the matter will be brought to the notice of RBO for redressal.

Swayam Passbook Printing Machine

Swayam machines many times are not working or if worked, due to low quality / worn out ribbon, the entries cannot be readable. This has been causing hardships to our members who are forced to stand in queues for pass book printing in the hot sun.

There is no pass book printing machine provided at the Branch.
